

SPONSORS PAGE - IEP

At the 2011 and 2012 Lincolnshire County Championships Gainsborough Dolphins swimmers wore club T-shirts provided by International Export Packers (IEP) from Newark. The Management Team were pleased to be able to secure sponsorship over two years to allow all the swimmers and coaching staff to wear a County Champs specific T-shirt that carried the IEP logo.

Nigel Stevenson said "IEP are a great business with a very hands on approach to business and this extends to supporting organisations such as ours. As Chair of the club I am very pleased that IEP have been able to support us for. The club had over thirty swimmers entered into the Counties in 2012 and this substantial investment once again had the swimmers looking smart and professional in the Burgundy shirts that carried the IEP corporate logo especially on the poolside parade on the last day".

International Export Packers is based in Newark in the East Midlands and is an independent Export Packing, Freight Forwarding and Logistics Company, providing Export Packing, storage, marshalling and international air, sea and road transportation services world-wide.

They have developed a full range of Export Packing, Project Management & Forwarding Services over twenty years and can organise the transportation and management of all packing & freight requirements through our international agents to almost any destination in the world.

Their principal aim is to provide a highly personalised service, tailored to any requirements; for more information please visit their website: www.exportpackers.co.uk

"As a company we are proud to sponsor Gainsborough Dolphins Swimming Club. We believe in giving back to our local and 'extended' local community and take pleasure in helping organisations that promote physical fitness and enthusiastic competitiveness in young people.

In the past we have supported local sports organisations: ladies' football; netball teams; young footballers; and boxing. We look forward to continuing our active role in this area, helping young people fulfil their competitive potential and working with the swimming club in the future".

This is an excellent way to give back to the local community. I am currently trying to teach my young daughter to swim and fully endorse the work of all involved in the Gainsborough Dolphins Swimming Club".

Ian Clifford

General Manager, International Export Packers
