SITUATIONS VACANT

We are currently advertising for a

Secretary

We need someone to be the 'post box' for the club receiving all the mail on behalf of the club, distributing it as required, to also issue Agenda's and attend Management Meetings to take, and then issue minutes along with other small tasks as they arise.

If this interests you see the Notice Board ,Website or speak with Nigel for more info.

AGM 2016

The 2016 AGM will take place on Friday 16th December 2016 at 7:30pm in the Meeting Room upstairs at the Leisure Centre.

We ask that parents attend the meeting to support the Management Team and the club.

The club are looking for support from parents both around the poolside and with the administration of the club.

All our teachers, coaches, Front Desk staff and Management Team are volunteers, we do not get paid and many of us do not have children swimming so do not 'need' to be involved. The club is 5 years old and it is evolving all the time but we are in need of new blood at all levels. That help is YOU!

We need parents to consider helping in the Small Pool where we are becoming short of mature staff, we have many of our older swimmers assisting and looking to take Level 1 qualifications when 16 yrs old but they move on, they go to Uni or get jobs, we need more parents to get involved or there is a risk that some small pool sessions may be cancelled or the programme adjusted. This would be a very last resort but one we may have to take. You do not have to be an ex swimmer or have a swimming background to help or become a teacher, we will guide you and train you and then if you go onto do Level 1 teachers course support you further. Please do not think 'I wont bother, someone else will do it' because they won't, help your club—speak with Debbie, Mark or Nigel for more info or to register your interest.

We are also need people to join the Management Team in a shadowing role. The club is run very effectively and continuity is very, very important so when current team members stand down those who have shadowed can step into the role giving club stability allowing it to continue to provide great value swimming for all.

The role of Treasurer, Membership Secretary and Chair as a minimum all need shadowing in 2017—please support your club and join us.

All striving to achieve our swimming potential
